

## **County Presidents Report for 2023 season**

To start on a sombre note Keith Maplesden, a true stalwart of Hampshire Golf, passed away unexpectedly in June.

Keith had a longtime association with Hampshire Golf in his various roles as County Secretary, President and Treasurer. He also chaired the Hampshire Golf Partnership, where his knowledge and enthusiasm were key in planning the future development of golf in the County.

He is sorely missed.

### **Highlights of the 2023 season.....**

Reports from our Team Managers are below but I'd like to highlight some of last year's noteworthy performances.

Ryan Henley (Stoneham) won the County Championship at Hockley in June, beating Liphook's Darren Walkey in the Final.

Walkley's consolation was victory in the Courage Trophy at Barton-on-Sea Golf Club in early September. He also won the Cole Scuttle for the best aggregate score in the County Championship and Courage Trophy and the 2023 Hampshire Golf Order of Merit.

Also at Barton.....Martin Young (Brokenhurst Manor) won the County Mid-Amateur Championship for the 11<sup>th</sup> time since 2008.

James Plater (Rowlands Castle) won the Junior Championship at Waterloo GC.  
Mark Matthews (Sherfield Oaks), Noah Bailey (North Hants) and Thomas Chamberlain (La Grande Mare) won the U16, U14 & U13 titles respectively. Other age group categories were won by Dylan Watson (U12) and Jack Turnbull (U10).

As our Junior County Champion, James Plater then represented Hampshire Golf in the EG Boys Champion of Champions at Woodhall Spa in September, where he finished in a creditable 17<sup>th</sup> place.

Jamie Pinchon (Stoneham) won the Seniors County Championship at Tylney Park Golf Club, the first time this Championship had been played over 36 holes.

Stoneham's Harrison Pake was leading amateur in the Hampshire Open at Royal Winchester GC, losing out on the overall title after a sudden death play-off.

The County Foursomes at North Hants Golf Club saw Stuart Archibald (Test Valley) and Luke Hodgetts (Hockley) prevail. The Mid-Amateur title went to Stoneham's Ryan Henley and Richard Elmes.

The Senior County Foursomes was won by Tim Barker and Mark Dunnington (both Lee-on-the-Solent) at Brokenhurst Manor GC with an impressive score.

Alan Mew (Stoneham) and Mark Dunnington won the 2023 Seniors Scratch and Nett OOM respectively.

Hampshire's First Team, captained by Lawrence Cherry, won the England Golf South-East Group League for the first time since 2012 after beating Berks, Bucks & Oxon at Wildernes GC (Kent).

In the newly formed Challenge League, our Team made it through to the South-East Group Final before losing to Essex at Mill Hill GC (Middlesex).

Les Mielles Golf Club (Jersey) beat Bramshaw at Lee-on-the-Solent Golf Club to win County Sevens title for the first time.

In the Green Jackets Cup junior teams from Bramshaw, La Grande Mare (Guernsey), Rowlands Castle and Corhampton qualified for Finals Day at Hockley. Bramshaw won the title and then travelled to Woodhall Spa to represent Hampshire Golf in the England Golf Junior Champion Club.

Joshua Potterton and Thomas Conquest shared the Hampshire Golf Junior Scratch OOM title and Ollie McDonald won the Nett OOM prize.

Stoneham's Harrison Price finished third in the prestigious SE Junior Championship at Thorpe Hall GC (Essex). The 2024 Championship will be held at Hockley on 29<sup>th</sup> May.

### **Special mentions.....**

To the IOW's former County junior Brandon Robinson Thompson, who made the half-way cut at the 151st Open Championship as a qualifier. He followed this up with a Challenge Tour win in the Irish Challenge and capped his season with a fourth-place finish in the Challenge Tour Grand Final in Majorca. We wish him every success for the 2024 DP World Tour season.

Hampshire had three players in the top fifteen of the Logan Trophy at Enville GC. Martin Young (=2nd), defending Champion Stuart Archibald (4th) and Toby Burden (15th).

Darren Walkley lost out in a play-off for the Selborne Salver at Blackmoor and Robert Wheeler was fourth in the Hampshire Hog at North Hants.

76-year-old Alan Wilson (Romsey) produced one of the rounds of his life to win the England Senior Series Tour Championship at Woodhall Spa in August.

### **Thank-you.....**

To Richard Arnold, Chris Harrison and Judy Andrews for all their work on behalf of Hampshire Golf. A special mention to Joanna Cook who as Welfare Office, has helped oversee that all Safeguarding procedures are up to date. To David Matthews (Junior Manager) who's enthusiasm and effort in building the blueprint for the County's Juniors, I have no doubt will provide great success in the future. To Nicky Harden and the team of Course Rater's for the amazing work they do for us all and also, the Refereeing team, led by Matt William (Chief Referee). Finally, to the Hampshire Golf Directors and Committee, Team Managers, County Coaches, and the Volunteers for all their hard work during 2023.

We are always looking for Volunteers for a variety of different roles. If you are interested, please contact Richard at the County Office for more details.

I would also like to thank Hockley Golf Club – the Home of Hampshire Golf, for their continued support.

Finally, a big thank-you to all the Clubs who hosted Hampshire Golf events in 2023. Playing in County competitions gives you the chance to play competitive golf on many different courses. Courses on the 2024 fixture list include Blackmoor, Alresford, Hayling, Liphook, Bramshaw, Stoneham, Hockley, Royal Winchester and Brokenhurst Manor to mention just a few.

Many thanks and best wishes for a successful golfing year in 2024.

**David Wheeler – President**

## **Chairmans Report 2023**

This is the first year that we have had a formal Chairman as in previous years the President has performed the roles that the Chairman and President are now doing.

As you know from the AGM last year, this was done to allow the President to attend the matches and competitions and the new role to take forward the management and business side of the County. It was always going to be an experimental year and working with the President we are now looking forward to fully establishing the job descriptions of both roles.

I know that President David has covered our golf achievements and thanked our volunteers in his report, therefore I will summarise what we have achieved away from the course.

It has been a pleasure to work with the Richard Arnold, our County Secretary this year and the addition of Chris Harrison as his assistant has allowed us to take forward various initiatives that in the past, we have not had the opportunity to do.

I am delighted to list below some of our achievements this year:

- Fully implementing the County Card App into the Clubs.
- Brought in the 6-12 Future Champions Tour. This will be the biggest advancement for the future of Hampshire's elite golf...possibly ever and will promote the Hampshire Golf name all over the County, in years to come.
- Brought in the Golfway equipment (formerly Tri-Golf) to further develop new players of all ages through our own events and the ability for others to utilise the equipment.
- Made the office more professional which has helped lay the foundation to much of the progression.
- The office has instigated and dealt with the change in Head Coach and consequently arranging the working party for the 1st team.
- Brought in the Code of Conduct for players, staff, parents & volunteers. Brought in DocuSign to make this a more professional transition.
- Enhanced relationships and communication with our member clubs on the Channel Islands and IOW.
- 100% on top of the Affiliation Fees in both collection and numbers.
- Improved safeguarding, protecting the County and those playing, by bringing in Joanna Cook who is doing an excellent job
- Competition improvements such as live scoring, Hampshire scorecards etc...all increasing the professional impression we give.
- Increased visibility and use of main Social Media platforms.
- Improved the on-course experience with the instigation of Tee Markers, putting green and course banners, clock, pedestal etc.
- Continuing to build a strong relationship with Hampshire Ladies and investigating a potential merger in the future.

We have a strong base to work from in 2024 and I look forward to reporting further progress over the next 12 months.

**Steve Williams - Chairman**

## Finance Report 2023

Following submission to HWB for the inspection the accounts were confirmed in line with our management figures and there was a surplus of £66860.

There are a number of factors behind this, which we have reported through the year and these are summarised below:

- 2000 extra members = £19k – a reflection on the better collection and more accurate returns from our member clubs
- £4k from late Affiliation Fee return from 2022 – extra above the expected figure for fees chasing – This will not be repeated.
- £4k from late Affiliation Fee return from 2021-This will not be repeated.
- County Card Income was budgeted at £20k and we received £31k – There will be negligible income from this source in 2023/2024
- I-Golf surplus received of £2,700 wasn't budgeted.
- £2k Write Off of Vouchers

To summarise income, we have received nearly £40k of income which will not be repeated in this financial year and £19k from additional members being reported by the clubs.

- Expenditure was Budgeted at £161k and ended up at £138k.
  - Salaries budgeted at £88k and ended up at £77k – This was an error in the original budget figure.
  - Junior savings were £2500 SEG Foursomes, £5000 Junior Tour, £5000 CI Travel.
  - President Expenses £3k less
  - Course Rating net expenditure over £3.5k less – primarily due to no travel to islands, hotels or seminars etc.
  - Other savings in general expenditure due to improved control

Whilst a surplus at this level needs explaining I believe the above does just that. We are in some ways a victim of our improved collection of fees and the above is a one off. We also have various initiatives running into the New Year which we could have rushed payment through before the year end but decided to leave until we had made sure the expenditure was being spent wisely.

Our budget for 2023/2024 is being completed as I write this report but will show a deficit with the expenditure held over from last year and our desire to move forward on a break-even basis in future years with our planned investment in all golf in the County. Dependant on affiliation numbers, it is likely that we need to propose an increase in the affiliation fee at next years AGM, which would come into effect from November 2025.

**Steve Williams - Finance Director**

### Captain's Report for the 2023 season

This is my first annual report as County Captain, and I am very pleased to report on a successful season. With the changes to the Colts structure this year, being moved to the Challenge League, I took the role of Captaining both teams' last season. This led to a very busy summer; however, it offered continuity between the two squads, and I was able to monitor players' performances much more easily; this led to very clear progression between the teams for the matches.

We had a good and very productive pre-season, with a number of friendly club matches and training sessions at Stoneham. I would like to thank all the clubs and their members that hosted a pre-season game this year as these matches are very important to ensure the team is match fit going into the first league game, and are definitely matches that our players look forward to playing in.

The first team had three fixtures this year, two being played at home and one away so we knew this gave us an excellent opportunity to reach the league final. Our first match saw us take on Kent at Liphook in May, we had a very strong performance and won the match 9-3. A few weeks later we had our away match in Sussex at East Brighton. The team showed grit and determination as we won the match, but we were down 1.5-2.5 after the morning foursomes. This meant after winning our first two league games against Kent and Sussex all we needed to do against Surrey was draw. Unfortunately, a very strong Surrey side came out on top that day at Blackmoor. Our fate now rested in the hands of Surrey and Kent when they played their final league game, Kent were victorious in that match and therefore by half a match point we qualified for the league final in October against BB&O at Wildernes GC. It really goes to show that every shot matters and every half point really makes a difference. There were a couple of big moments throughout the season where the team rallied around and dug in to ensure they at least got the half point in their matches.

| SEG County League - South |           |   |   |   |   |      |      |     |
|---------------------------|-----------|---|---|---|---|------|------|-----|
|                           | COUNTY    | P | W | D | L | F    | A    | PTS |
| 1                         | Hampshire | 3 | 2 | 0 | 1 | 20.5 | 15.5 | 4   |

| 3                         | Surrey    | 3 | 2 | 0 | 1 | 18   | 18   | 4   |
| 4                         | Sussex    | 3 | 0 | 0 | 3 | 13.5 | 22.5 | 0   |

On 8th October we took the first team down to Wildernes GC for the league final against BB&O and I am very pleased to report that we came out victorious in that match and beat them very convincingly 8.5-3.5. The team prepared and performed extremely well all day, with every player contributing at least half a point. This result really shows the strength and depth of our county because four of my players who played the league matches returned back to university before the final.

This is an amazing achievement as we have not won this title in 10 years. We are already looking forward to defending our title next year. At this point I would like to say thank you to all my players that played in matches throughout the year, your commitment and spirit played a huge part in our success. I would like to especially mention Martin Young as he had a perfect singles record last year and won singles points in all three league matches as well as his singles point in the final – well done Martin.

In July we took on a very windy Farleigh Golf Club for the 6-man qualifier. After the morning round we were lying in second place but only 1 shot behind Kent who had the midway lead. While there were question marks as to if the course was even playable in the afternoon, Kevin Flynn (Head Coach) and I spoke to every player before teeing off to try and get them into the right mindset for the afternoon battle. The team performed very well in very testing conditions, and we very respectfully finished 2<sup>nd</sup> behind Kent. It was a great effort considering our recent results in the 6-man qualifier, but we are hoping to go one better next year.

|            | Martin Young     | 75         | 79         | 154        | +10        |

As I mentioned at the start of my report the Colts league finished in 2022 and a new Challenge league was evolved for the 2023 season. The format remained the same as the 1<sup>st</sup> team with foursomes in the morning and singles in the afternoon. The only difference to the traditional league is that we played both home and away in the same season.

The season got off to a shaky start in May with a loss to Sussex at Army, after this match we knew that we had to win the remaining 3 matches to ensure our qualification for the final. Our second match was the away league to Sussex at Willingdon GC. The morning session did not go to plan as at lunch we were 4-0 down, a place no team wants to be at lunch. With torrential rain in the forecast for the afternoon, we had a team meeting, and the message was never give up and I believe this was our turning point as a team. In the afternoon we won the first 7 matches meaning we had pulled it back to win the overall match. The final score was 7-5 to Hampshire and we knew we were back in hunt for the league title. This match has now been given the title 'Miracle at Willingdon'!

Moving on to July it was our turn to take on Kent. Our first match against Kent was at home at Paultons Golf Centre, a course luckily not many of the Kent team had played before which gave us an advantage straight away. The team played really well in this match and beat Kent 10-2, our biggest win of the season from either squad. The final match was at Chislehurst GC in Kent, a short but fiddly course and one Kent were hoping we would struggle round. The league came down to this match whoever won this game won the league and qualified for the league final. After a good battle Hampshire came out on top and we had booked ourselves a spot in the second final of the year, another fantastic achievement. A week after the 1<sup>st</sup> team final, marked the turn of the Challenge Team and we came up against a very familiar Essex team. Unfortunately, Essex got the better of us on the day and they won the title this year. We will be looking to go one better next year and claim back the title.

Once again it was a fantastic team effort by all the players throughout the year and I thank them all for their hard work and dedication.

I would like to formally minute some thank yous for this season. First of all, to Toby, my Vice Captain, for offering important advice and support throughout the season. To Richard and Chris thank you for your professionalism, advice, support and time you have given me and the county this year. Without your organisation and support we really wouldn't be the county we are. To the coaches, Kevin Flynn and Simon Andrews, thank you for your advice and the technical advice you gave the team this year, you have both been very influential throughout the season and hopefully a relationship we can carry on for seasons to come. Thank you to all the players for their dedication, determination and professionalism throughout the year. Lastly thank you to everyone who has support me and the team throughout the year - it is very much appreciated.

On a personal note, I have enjoyed every moment this season, even the tough times. I believe it has made the bond between the team even stronger and we cannot wait to get back out on the course next year!

**Lawrence Cherry - Hampshire County Captain**

### **Seniors Captain Report 2023**

The Past, Present and Future match, along with the Hayling and Jersey matches were good preparation for the year enabling us to give the majority of the squad a game in these fixtures. This coming season we have been able to add more pre-season friendlies with matches against Wiltshire, Stoneham and the Isle of Wight.

Playing the Jersey match at Brokenhurst was invaluable, being the venue of our first SEG League fixture. We beat a very strong Sussex team 6 matches to 4. Our second league match was against Surrey at Addington Palace, a venue that definitely favours the local team with very tricky fast greens and positioning from tee essential. We lost this match 7-3. A tremendous win against Kent at Rochester and Cobham GC 6 matches to 4, gave us second place in the league. In 2024, we have 2 home matches against Surrey and Kent, hosted by Alresford and Hockley. We have one away match against Sussex at West Sussex.

We did not fair very well in the 6-man Qualifier and SEG Foursomes, with disappointing results.

The County Seniors Championship was played over two days for first time, hosted by Tylney Park Golf Club. Very testing conditions saw James Pinchon from Stoneham crowned as Seniors County Champion narrowly beating Dave Edmunds from Lee-on-the-Solent. The 2024 Seniors County Championship, again over two days, is hosted by Royal Winchester GC.

The Seniors Order of Merit was contested over 6 events, congratulations go to Alan Mew of Stoneham, who won the gross prize and Mark Dunnington Lee-on-the-Solent winning the nett prize. For 2024, we have added two more events to the order of merit, Lee-on-the-Solent and Hockley Senior Opens.

Special mention should be made of Alan Mew who having qualified for the US Seniors. A great achievement in itself, went on to make the cut and qualify for the knock-out stages.

It is an honour to be Seniors Manager, and there are lots of thanks I need to give to those who make it all happen and a rewarding experience for all involved.

Thank you to all the players for their support, over 20 senior golfers were involved in the matches.

Thanks to Richard and Chris in the office for their advice, guidance, planning and perfect execution.

But most importantly thanks to all to all clubs, officials and members who have given up their courses hosting these matches and events.

I am looking forward to a busy and successful 2024 season.

**Andy Palmer – Seniors Manager**

## Junior Report 2023

### Junior Futures Tour Launch

Chris Harrison fronted the launch of our Futures Tour. The Futures has been pitched to provide opportunities to golfers aged 6 – 12. There are 2 separate competitions. A non-Hcp section, perfect for golfers new to the game and a Hcp section perfect for players who have Hcp's too high to enter the long-standing Junior Opens. This year we had 5 events. We intend to develop this area of the Junior golf next year.

#### Channel Island Junior Support

We have continued to develop the support to both islands in an attempt to avoid the costs in travelling to and from the mainland. The main aim being to make sure money is spent where it matters (on coaching etc) as opposed to excessive travel & hotel costs. We are striving to mirror the training day opportunities on the islands, and this is ongoing.
