

How to download and set up the County Card App

To download the County Card App, using your smart phone go to the relevant App store and enter igCounty in the search bar, once found, download.

Once you have downloaded the app and opened it you will be asked if you want to allow igCounty to use your location, if you select 'yes' when it displays the clubs it will include the distance from your location in miles.

The next screen you will see is the 'County Selection' page. Scroll down and select 'Hampshire, Isle of Wight & Channel Islands' and click the 'Save' button at the bottom of the page.

When you click on the Clubs icon in the bottom of the app it will provide a list all affiliated clubs in Hampshire, Isle of Wight and Channel Islands.

IMPORTANT TO NOTE this is a list of all Hampshire, Isle of Wight and Channel Islands Clubs and not those necessarily taking part in the County Card Scheme. These can be found by visiting our website under the heading 'County Card', where it will take you to the BB&O website and lists the Clubs that are in the County Card scheme, all over the country.

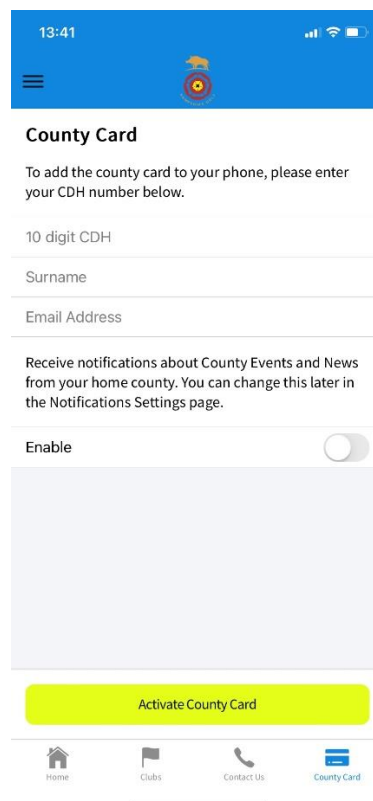

Having clicked the 'Save' button you will be taken to the home page.

The home page provides details on:

County News - provides details of current news from Hampshire Golf news which again you can click onto for more information.

Course Handicap Calculator - provides the facility to enter your handicap index and a course's Slope Rating to see your Course Handicap.

To activate your County Card, on the bottom select 'County Card' in the right-hand corner and click, 'Continue'.

The screenshot shows the 'County Card' activation screen. At the top, there is a blue header with a hamburger menu icon, a golf ball icon, and the time 13:41. Below the header, the title 'County Card' is displayed. The main content area contains the following elements: a text prompt 'To add the county card to your phone, please enter your CDH number below.', a text input field for '10 digit CDH', a text input field for 'Surname', a text input field for 'Email Address', a section for notifications with the text 'Receive notifications about County Events and News from your home county. You can change this later in the Notifications Settings page.' and an 'Enable' toggle switch which is currently turned off. At the bottom of the form is a large yellow button labeled 'Activate County Card'. The bottom navigation bar features four icons: 'Home' (house icon), 'Clubs' (flag icon), 'Contact Us' (phone icon), and 'County Card' (blue square icon with white text).

Enter all details as requested, turn the 'Enable' switch on and click 'Activate Card'. Your County Card is now ready for use.

The County Card scheme will run for 12 months following your clubs Affiliation Fee date (normally two months after your subscription renewal).
