2019 GREEN JACKETS CUP (JUNIOR INTER CLUB KNOCK-OUT)

CONDITIONS OF PLAY

1. Each Affiliated Club shall be eligible to enter.
2. £30.00 Entry Fee. To be paid by 1st January 2019. Entry forms can be downloaded from Hampshire Golf website.
3. Each team shall consist of 3 players (male or female), who must be under 18 years of age as at 00.00 hrs on 01.01.2019.
4. It is recommended that Golf Clubs should select their team, subject to availability from the result of a Club stableford competition played off handicap, before the first round of the Green Jackets competition.
5. All matches to be played off full handicap. Handicap limit: 24 boys, 30 girls (plus any differential). Matches to be played as a Qualifying round for handicap. Please contact the County Office if you require assistance with recording a qualifying round.
6. Girls to receive additional shots prior to the round to allow for any difference in the standard scratch. For Preliminary and First Round Matches the County Office will advise of any differential for girls. See England Golf website for explanation:
<http://www.englandgolf.org/page.aspx?sitesectionid=136&search>
7. Boys will play from the White tee and Girls from the Red Tee. Girls to take strokes from the ladies stroke index.
8. No player may represent more than one club in each annual competition and must have nominated the Club as their Home Club for Handicap purposes.
9. Play will be an aggregate stableford over 18 holes with two out of three scores to count. In the event of a tie the third score will be counted. If still tied then a back-nine countback will determine the winning Team. The countback will be decided by an aggregate of the three back 9 scores (then back 6, 3, 2 and 1).
10. The club at the top of each pair shall have choice of venue in First Round matches. Thereafter until the semi-final stage, the venue shall be decided by the toss of a coin or other means.

11. The second round match between Jersey and Guernsey Clubs will be a HOME fixture for the Guernsey Club (2019). The third round match involving the Channel Islands Club shall be a HOME (2019) fixture for the Channel Islands Club.
12. It shall be the responsibility of each Club Secretary to report the result of the match to the County Secretary as soon as possible DURING OFFICE HOURS (08:00 -15:00 Monday - Friday). Note: It should not be left to the Junior Organiser or Team Captain.
13. The draw was made randomly and fixed until the semi-final stage (i.e. for Finals Day) when a new draw shall be made.
14. The Winning club shall hold the Royal Green Jackets Cup for one year. Prizes shall be awarded to the winning club, the runner-up and the losing semi-finalists.
15. All matches to be played to Hampshire Golf Conditions of Competitions. See copy on website.
16. Caddies are NOT allowed.
17. In the event of any dispute the decision of Hampshire Golf shall be final.
18. The winning team shall represent Hampshire Golf in the EG Junior Club Championship, which will be played from 11th to 13th August at Woodhall Spa.
19. All matches must be played by the due date. If left to the last possible day for completion of the round and weather or course conditions are such that the match cannot be played, it is possible that both teams may be disqualified. If your opponents offer a choice of two or three dates, it would seem reasonable to accept one, rather than insist on your own choice. Neither is it reasonable to insist on undue delay because one of your player is on holiday or unavailable, particularly if that means playing after the final date for the round. Home Clubs are asked to give their opponents a Courtesy practice round if requested.

Please note that agreed tee-off times must be adhered too, failure to do so may lead to either an individual match or team disqualification.

FINALS DAY – Tuesday 30th July at Hockley Golf Club

Green Jackets Champions go forward to represent Hampshire Golf in the England Golf Junior Champion Club Championship

at Woodhall Spa from 11th to 13th August.

David Wheeler - County Secretary
