

COUNTY CHAMPIONSHIP MEETING

COUNTY CHAMPIONS

HISTORY

From 1894 to 1925 the County Championship was decided by 36 holes Stroke Play. From 1926 it has been decided by match play after a qualifying round of 36 holes stroke play. In 1921 the then President, Major R C H Sloane Stanley, presented a silver challenge cup to be held by the winner of the Championship for the year. A random draw was made for the match play stages of the competition until 1997 when it was decided to seed the draw based upon the position achieved in the qualifying rounds.
