

COUNTY CHAMPIONSHIP MEETING

DIAMOND JUBILEE BOWL

The Silver Challenge Bowl, presented by the members of the Royal Winchester Golf Club to commemorate the Diamond Jubilee of the Union, was first played for on the course of the Royal Winchester Golf Club at the meeting held to honour that occasion. It was appropriate that Percy Watford, County Captain at that time, who did so much for golf in the County during the immediate post war years produced probably his best golf ever to return a score of 77 in the most appalling weather conditions to become the first holder of the trophy. Subsequently the Diamond Jubilee Bowl has been awarded to the competitor returning the best net score in the 18 hole stroke play event on the last day of the Championship Meeting.
