A/S	Dylan Cooper-Kirby	7.6		12		9.0	Joshua Cook	A/S
Total Team Points								
12							25	

INTERSQUAD MATCH ROUND-UP

Ampfield Golf Club hosted the first match of the Hampshire Juniors' 2023 calendar last Sunday when the newly formed U16s and U18s squads each fielded a 12-man team for an intersquad friendly. The number of bobble hats in the photos show what a crisp day it was, but the sun shone most of the time and the wet conditions certainly didn't dampen the boys' competitive spirit.

Three of the U16s won their matches (well done to Conor, Sebastian and James) and Tom, Daniel and Dylan held their partners to a draw, but the final tally of 25 points to the U18s team and 12 points to the U16s reflect some impressive, high-scoring rounds from the U18s (Rory, Freddie and Charlie in particular).

The match was followed by a meal, captains' thank yous and a presentation from Rory and Mark on how to use Golf Data Lab. This app is being provided by Hampshire to the older teams to encourage them to capture data from every round they play. They can analyse the data to identify the stronger and weaker areas of their games to help them continue to improve their games.

Many thanks as always to all the parents who supported the day, Kev Caplehorn for his help in arranging the event and assisting with the presentations, and Pablo and everyone at Ampfield for their warm welcome and hospitality.

We hope you enjoy watching the photo montage and listening to the accompanying music, which was composed by Richard Wells (Sebastian's Dad).
