

POST MATCH REPORT UNDER 14'S

Hampshire versus Sandford Springs 1st September 2019

MATCH REPORT

Before I move onto the match report I would like to, on behalf of Hampshire Golf managers, coaches, parents and boys a huge thankyou to Sandford Springs for making us all feel so welcome..... Now onto the match

Luca Alonso, Ben Mayes and Harry Naughton played their first matches at Under 14 level. Safe to say they were not overawed by the occasion. Both Harry and Ben won their matches and Luca playing alongside Ben Cox although losing 3&2 never at any stage through the towel in. This positive mindset from such a young player was very pleasing to see.

Post match despite losing 5-1 to the boys Captain Peter was gracious in defeat and full of praise for his opponents, in particular our number 1 Under 12 player Alexander Estridge who has been pitted against Peter 2 years running with Peter still looking for his 1st win.

I am already looking forward to next year!
