MATCH REPORT

Looking at the final result it may appear the match was very one sided from the outset, this was not the case. There was something different in how the boys played today. It was evident for the most part the information given by the coaches is beginning to take effect. The fighting spirit could be seen right through them team. Well done boys!

Match 1 - Harvey giving away 8 shots saw him have to settle a half on more than one occasion with birdies and pars. Harvey's 3 wood onto the green on 11 was a first rate golf shot. In the end Harvey's power and accuracy off the tee and into the greens was too much for his opponent.

Match 2 – Alexander giving away 3 shots was steady as ever, finding the centre of the fairways and middle of the greens saw him go 2 up through the turn. The back 9 was more the same, a par on 14 put him 3 up, holing a tricky breaking putt on 15 for par maintained his 3 shot advantage. Another par on 16 closed the match out.

Match 3 – Harrison was involved in a high quality match from the off with great golf from both players. Harrison was 1 down at the turn, his opponent was 1 under gross through 11. Harrison concentrated on his own game bringing it back to all square going down 18. A par on the last would prove to be enough to secure the win 2 up.

Match 4 – Isaac paired with a 5 handicapper on top form was always going to be a challenge. Isaac was 4 down at the turn, did he throw in the towel ? No. He brought the match up 16 with some great drives and crucial long putts.

MATCH REPORT

Match 5 – Harry Bale led from start to finish, solid driving helped him go 3 up through 9. Harry's steady play continued on the back 9, eventually closing out the match with another good tee shot on 16.

Match 6 – James playing a 12 handicapper was 1 down at the turn. Numerous up and downs and steely putting on the back 9 gave James the win on hole 16.

Match 7 – Mark giving away 2 shots played steady golf closing out the front 9, 2 shots up. A birdie on 15 and an up and down for par on 16 was good enough to close out the match

Match 8 – Ray's match really was a down the wire affair. All square through 9 it was clear neither player were willing to give their opponent an inch. The match was all square going down 18, with both players left with 6 foot putts. Ray's opponent asked him " Pick up for the half? " Tempting?.....Ray politely declined the offer, watched his opponent miss and then made his own putt to win the match. Great example of backing yourself Ray!

Match 9 – Freddie was drawn against a 5 handicapper on good form. Rather than be intimidated by this he stuck to his own game plan. He never put a foot wrong on the front 9 giving him a well deserved 2 shot lead. Freddie kept this good form going with an awesome iron shot into hole 10 resulting in a birdie. Great composure displayed by Freddie on 15 to close out the match sinking a 15 footer.

MATCH REPORT

Match 10 – Thomas, playing an 8 handicapper was going to have to play good golf to beat him on his home turf. 2 down at the turn, great play, both off the tee and into greens kept him in the match. Standing on the 17th tee 2 down Thomas won it to take the match down the last, unfortunately coming up short on 18 to lose the match 2 down

Match 11- Charlie was solid front 9, however found himself 2 down at the turn. Back 9 Charlie hit some great 3 woods into the green, in the end his opponent closed out the match on hole 15. Charlie decided to play the last 3 holes and gave every shot 100% focus.

Match 12 – our last match of the day was played by Oscar and Vice Captain John Smyth. A match full of solid golf and played in a great spirit by both parties from the outset. Oscar went into the back 9 with a narrow 1 shot advantage. On the home stretch Tee shots in the middle of the fairway and putts from within 10 feet finding their way into the cup contributed to a Hampshire win on 17.

Well done to our Captain on the day Charlie Morgan for very well composed, delivered and most of all received speech at the post match meal. Well done Captain!
